In our product range we are offering includes Memory Foam, PU latex Foam, Pillows, Pocket Springs, Bonnell Springs, Mattress Felt, etc. Presented products are composed under the guidance of experts by using modern technology and instruments at our vendor end. To fulfil demands of our valued patrons in an efficient way, we are offering all these products in various specifications. Owing to our quality focused approach, we have developed such a huge clientele across the market in short period of time.

OUR PRODUCTS

Our offered range of product is highly demanded by the patrons for their high quality. Our offered products are manufactured by keeping in mind the set industry norms and standards. We have developed a wide vendor base to offer this range of products. Apart from this, our clients can avail all the offered products from us at reasonable prices as per their precise demands and needs.

MEMORY FOAM PILLOW

Memory foam molds to the body in response to heat and pressure, evenly distributing body weight. It then returns to its original shape once you remove the pressure

PU LATEX FOAM PILLOW

As a cushioning material for upholstered furniture, flexible polyurethane foam works to make furniture more durable, comfortable and supportive.

HR FOAM PILLOW

High resilience is a polyurethane foam that has a much higher responsiveness than memory foam, which has a slower response.
